Position Project Manager

Job Location

Barcelona

Description

We are looking for a Project Manager to lead multiple projects in a digital company. You will participate in a dynamic environment, helping to develop editorial and financial-related products. High doses of proactivity, fast learning and teamwork will be required.

Working Hours

Full-time. 8-17h or 9-18h.

Base Salary

18K

Responsibilities

The successful candidate will develop the following responsibilities:

- Lead strategic projects
 - Guaranteeing that projects are completed in time and with the resources expected.
 - Defining the steps and dependencies of the projects.
 - Communicating with different profiles efficiently; with technical, editorial and marketing backgrounds.
- Secure editorial coverage
 - Covering editorial responsibilities as a back-up during market breaking events and team limitations

Date posted

November 23, 2017
